FOR THE RECORD

FACT:

Explanation of Sources Used for ER 78-10583,
Soviet Strategy and Tactics in Economic and
Commercial Negotiations With the US

1. Each paragraph in the above cited report is classified Confidential. The report was prepared on the basis of two types of sources:

25X1B

25X1B

2. Because of the unusually large number of [redacted] used, and the fact that [redacted] form a large part of the data base, it is not practical to annotate each paragraph by source and report number. To try to annotate properly each paragraph would require a minimum of two analyst's working days.
